

EVEN IF YOUR CREW ISN'T GOING TO CAMP YOU STILL CAN!

JUNE 17-JUNE 23

JUNE 24-30

JULY 8-14 SOLD OUT

This summer, the Greater St. Louis Area Council will be offering an opportunity to attend Swift without your unit. Each of these two weeks, a unit will be accepting individual youth to attend camp. This is great for:

- Venturers who joined their crew too late to attend a high adventure that was planned for this summer, such as Philmont.
- Boy Scouts of Venturing age who want to attend.
- Venturers who want to go back another week!

Unit leadership will be provided up by unit leaders from these host crews. You may contact the camping department at 314-361-0600 with any questions you have regarding this opportunity who will put you in touch with these unit

leaders. All Scouts or Venturers must be registered in their units, and eligible to be a youth in the Venturing Program (graduated the 8th grade and at least 13 years old, or 14 years old). All other camp regulations apply, including the need for health forms, and all other camp rules.
